By carefully choosing each plot according to the terroir and by complying with strict requirements, Tutiac offers, vintage after vintage unique and quality wines.

Tutiac ! A cry that unites us, we, who are 700 families of growers from both banks of the Gironde. We are Tutiac, and what brings us together is life, wine, human diversity and our fraternal spirit for cooperation. The years of time have slowly shaped our magnificent terroir of six thousand hectares. One of the most beautiful, varied, nuanced, and most amazing vineyards of the world! It gives us everything because we work it with deep commitment, respecting its nature, and have done for generations. Bold, perseverant, obsessed by quality, this is undoubtedly our style, our way of making wines. Vibrant, honest and distinguished, they offer unique pleasures to gourmets throughout the world, with every expression and tradition of Bordeaux: from Blaye to Sauternes, via Bourg, Fronsac, the Médoc and the Graves... All of this is Tutiac, all of this is us. All of Bordeaux!
