CHÂTEAU CROIX DE PATY

CÔTES DE BOURG

Grape variety : 100% Merlot

Soils: Clay-limestone

Vinification and maturation: Aged for 12 months in barrels.

Tasting notes: Deep and dense ruby colour. The nose is complex, very intense and dominated by blackberry notes. On the palate, the attack is soft, elegant and delivers a beautiful tannic structure. There is a nice balance associated with a certain richness. A subtle bouquet of red fruit and garrigue. The aromatic persistence continues with aromas of ripe fruit. A wine full of nuance and subtlety.

Food pairing: Sur une bavette de boeuf grillée, des fromages...

Capacity : 75 cl

A wine made in association with the winemaker Matthieu Cosse and the winegrower Alain Jarrige. Our philosophy is based on a careful and ultra-selective approach to the vineyard, illustrated by vinification in the vineyard. This approach allows us to accentuate the expression of our terroirs and to express its potential in an optimal way.

Château Croix de Paty has been in the Jarrige family for 4 generations. A man of perseverance in his work, Alain Jarrige is a good living person, a hard worker and a perfectionist.

He loves a job well done and looks after his 16 hectares in the Côtes de Bourg with great care. Having started as a farm worker, he adopted the profession of winegrower when he took over the property with his wife in 1987.
