

# CARRELET

## D'ESTUAIRE

### *Confidences*

Grape Variety: Sauvignon

Soil: Sandy and limestone

Vinification: Direct pressing, temperature control with maturing on fine lee.

Tasting notes: A pretty light and luminous color, an intense nose with citrus notes and acidulous fruit. On the mouth, it is well-balanced and full of freshness. Aromatic finish with a touch of sweetness.

Food&wine pairing : Oysters, sea food and cold meat.

### What is a carrelet ?

It's a fisherman's hut with a unique architectural silhouette found on the banks of French estuaries, most notably in the Gironde region.

Perched on stilts, it deploys a large net which can be lowered and raised to catch the white shrimp of the estuary!
