

CARRELET

D'ESTUAIRE

Confidences

Grape variety: Merlot

Soil: Sandy and limestone

Vinification : Direct pressing, temperature control with maturing on fine lees.

Tasting notes : Clear and brilliant color. An expressive nose with notes of fresh fruits. On the palate, this wine exhibits a fine liveliness and proves to have a good length enhanced by its aromatic persistence of citrus notes.

Wine & Food pairing : Summer salads, seafood carpaccio, grilled meat and vegetables

What is a carrelet ?

It's a fisherman's hut with a unique architectural silhouette found on the banks of French estuaries, most notably in the Gironde region. Perched on stilts, it deploys a large net which can be lowered and raised to catch the white shrimp of the estuary!
