

GRAPE VARIETY : Merlot

SOILS : The grape stem from different terroirs, whose soils range from sandy and gravelly to clay-limestone.

VINIFICATION : Direct pressing, temperature control.

TASTING NOTES : The robe is light pink and vibrant.

Very aromatic on the nose with notes of red fruits.

On the palate, the wine is well-balanced and fruity with aromas of blackcurrant, strawberry, enhanced by a nice sweetness. Long finish.

SALADS, BARBECUE, SUSHI...
IDEAL FOR A PICNIC OR FOR AN APERITIF.

WHAT IS A CARRELET ?

It's a fisherman's hut with a unique architectural silhouette found on the banks of French estuaries, most notably in the Gironde region.

Perched on stilts, it deploys a large net which can be lowered and raised to catch the white shrimp of the estuary!
